

Psalm 136 (a version written for children by BRF)

(Chorus)

*Thank you Lord, you are the tops
You show us love, that never stops*

You do great things, your love to show
The heavens above, earth and sea below

Chorus

You are awesome, you gave us lights
Sun for our days, moon and stars for nights

Chorus

You are just great, you rescued us
You led us out from being slaves, took us safe through wind and waves

Chorus

You are the best, you guide our steps
Defeated all our enemy kings, helped us do amazing things

Chorus

You're Number One, you welcome us
You give a special place to be, our Maker, Rescuer, Guide - all three!
